

Full Golf & Tennis Preview Membership 2020 Season

Manchester Country Club's premier membership provides all access and unlimited use of all golf, tennis and dining facilities throughout the season. As a welcome to MCC, you and your family will have an opportunity to 'preview' the Club during the 2020 season to see if MCC fits your family's lifestyle and expectations. It is only after you and your family experience the facilities, programs, social events and culture of the Club that you can feel comfortable in committing to a long term country club relationship. Upon your commitment to full membership, you will be offered the opportunity to become a stockholder and voting member of the Club.

Preview (year 1) dues for both Family and Single level are offered at a discount to full member dues. Joining in 2020 provides another major benefit in that you will be exempt from any initiation fees. MCC offers more than a great golf and tennis experience. It offers the perfect complement to the social life of the entire family.
